

# Announcing my Private Channel on Trade Exchange

## Join the exclusive launch

- Receive my ideas and trade in one mobile app
- Act immediately using an "easy" button
- Trade through major online brokers
- Only pay for winners

## What makes this special?

### One-Stop Shop

- Receive ideas, trade and make adjustments all in one app with 1 Click

### Expert Oversight

- Entries AND Exit alerts
- I watch every trade and provide real-time updates as markets evolve

### Seamless Execution

- Link to major brokerages: E\*TRADE, TD Ameritrade, Interactive Brokers
- No distractions or errors

### Patented Analytics

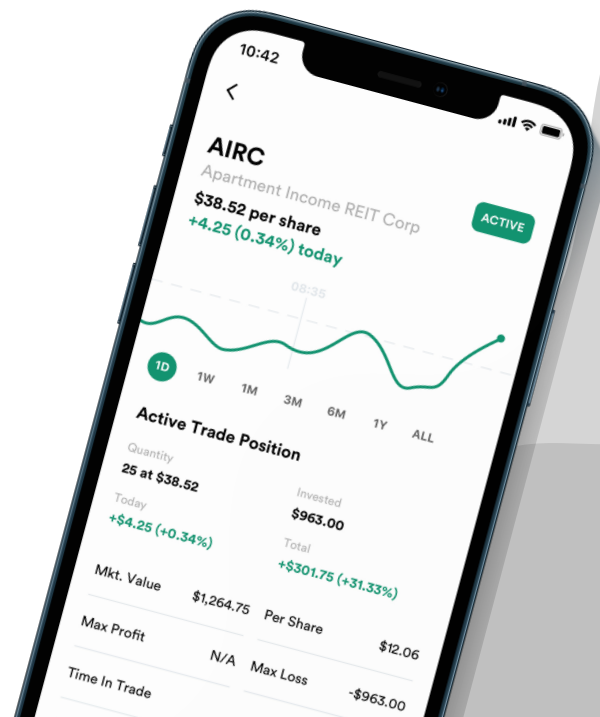

- Performance tracked on every idea provided
- Ideas you followed vs. ideas you didn't follow

### Only Pay for Winners

- \$3 Per winner + bonus if trade is 5% or more
- No subscription fee
- No charge for trades you don't take or losing trades
